ADS 521 - Claims For Losses of Private Personal Property

521.1 OVERVIEW

This chapter contains the policies and procedures for submitting and processing all claims for loss of or damage to personal property incident to government service. These claims may be submitted by USAID employees, participating agency (PASA) employees, Personal Service Contract (PSC) personnel, and their authorized dependents.

The Military Personnel and Civilian Employees' Claims Act of 1964, as amended authorizes payment for personal property only. It does not provide a remedy for consequential damages or other types of loss or incidental expenses.

521.2 PRIMARY RESPONSIBILITIES

- a. The **Chief, Travel and Transportation Division, M/MS/TTD** has the authority to settle and approve payment of claims in an amount not to exceed \$5,000. The Director of Administrative Services, M/AS/OD has the authority to approve all other claims.
- b. The **Mission Executive Officer** at post is responsible for assisting employees in preparing their claims, and for completing form DS-1620A, "Claims Investigating Officer's Report (CIOR)." (**See Mandatory Reference, [DS-1620A](#)**)
- c. The **employee** is responsible for ensuring that his or her claim is properly documented and substantiated prior to submitting the claims package to the Mission Executive Officer.
